*****PLEASE NOTE: STUDENTS ARE REQUIRED TO ACCOMPANY THEIR PARENTS TO THESE CONFERENCES*****

For the past several years, Elijah Smith Elementary has held a silent auction during the First Nations Craft Fair. This year, the funds raised will be mainly used to bolster our experiential education program. We feel that experiential education is a fundamental component of Elijah Smith Elementary School curriculum. It is through this program that students have the opportunity for essential life-long learning on the land through things like the Bison Hunt and Muskrat Camp for example. Many thanks to everyone who has donated items for past auctions or has purchased items from the auction. We couldn't have done it without the support of our community.

Once again we are planning an auction during the **First Nations Craft Fair**, on **December 8, 2018** (10 a.m. until 4 p.m.). If you or a business you know would be willing to donate an item or service to our auction we would be very grateful. Any items or certificates can be dropped off at the office with your name attached. Staff members are also willing to pick up any donations. Arrangements can be made for this by calling the school at 667-5992 or Ms. Bradford at 332-9453.

Thank you for your continued support of our experiential education initiatives.
