Elder Elijah Smith

Elijah Smith played many roles during his life. Elijah Smith was born in a small Yukon village, Hutshi in 1912. He was a member of the Crow Clan. He was awarded the Order of Canada, fought in World War II, was elected Chief of the now Kwanlin Dun First Nation in 1966, and helped the Yukon Native Brotherhood write the document called “Together Today for Our Children Tomorrow” and along with the Yukon Native Brotherhood presented it to the Canadian Prime Minister, Pierre Elliot Trudeau in Ottawa in 1973.

He was a mentor. He encouraged First Nations people to stay in school. Many of these students would eventually play instrumental roles in land claims and self-government negotiations.

He was a grandfather. Elijah could touch people with his wisdom, and children were no exception. He became the grandfather of virtually every child he met. He opened his home to help the youth of his people. In the summers, his homestead often served as an outdoor school to many young people.

He was a teacher. He taught First Nations people to chase their dreams and to stand up and fight for their beliefs and traditions. He spent years dedicated to the preservation of native language and culture.

Elijah Smith also taught First Nations people about his people's culture and traditions. He taught everyone to be more understanding and more compassionate towards their neighbors.

A federal building in Whitehorse was named after Elijah Smith as well as our school in 1992. Several grandchildren of Elijah Smith attend our school and his legacy lives on in our children's learning.

Cold Weather Policy

All students are expected outside at morning recess and lunch recess, unless they are participating in a school activity.

Yukon Schools do not close due to cold weather. When the temperature drops below -30 Celsius or when there is a high wind chill, the students will stay in the school during the normal outside periods of morning and lunch recess. The bus company does have limitations to when they can run and parents are encouraged to listen to the local radio stations in the event of extreme cold weather.

The parent's responsibility: Ensure your child is equipped with the proper clothing to fit the occasion. Label all individual pieces of winter clothing with your child's name in permanent marker.

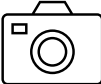

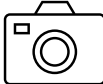

The student's responsibility: Wear the proper clothing, including mitts, hats, scarves and winter boots outside during winter months.

ESES School Meal Program

The Urban Nutrition Program now provides a school-based breakfast and lunch service for all Indigenous students attending Whitehorse schools. ESES has two cooks operating out of the school preparing nutritious meals for breakfast and lunch.

Partnering with Yukon Food for Learning Association, we are now able to offer select food services to a small amount of non-Indigenous students requiring food.

The Nutrition Program has also developed unique partnerships with specific Whitehorse-based schools to ensure nutritious food services and Indigenous culinary programming is delivered.

Thank you to Stephanie and Glen for all your hard work at ESES!

At Elijah Smith Elementary School, we have *54 minutes for lunch*.

For most students, this short break from their peers is very helpful and sets them up for a more productive afternoon.

We have a reverse lunch at ESES. This means that students go outside for recess first and then they come in to eat their lunch. If you are picking up your student for lunch, you can pick them up at 12:00 so you have the full 54 minutes.

- Recess is from 12:00-12:27 p.m.
- Lunch is eaten in the classrooms from 12:27-12:54 p.m.

If you are dropping off lunches for your students, please drop them off before 12:27 p.m. so your child has time to eat before the afternoon classes.

Please do not include peanuts or peanut products in school lunches.

Busing

Students are required to have a school bus registration filled out to use the school buses. For information on bus routes and bus registration, go to the Department of Education website at: [www. http://www.education.gov.yk.ca/schoolbus/index.html](http://www.education.gov.yk.ca/schoolbus/index.html).

Contact information:

- Department of Education: 667-5172 or 393-6973
- Standard Bus: 456-3210

Buses are scheduled to arrive between 8:15 am and 8:30 am each morning and leave between 3:10 pm and 3:30pm. Please check the website as there may be new routes for this school year.

Please note: If you are making changes in busing during the school year, you will need to re-register on line. Also, please call the school office so we can let the bus monitors know of the changes.

If you are making a last minute change for a single event, please ensure your child has a note for the bus driver. You can also email the school office staff with a note that can be passed along to the student and bus driver. School staff will NOT be writing bus notes for students.

Bus Rules

Rules of Conduct on the bus are largely dictated by safety needs. Each bus has a camera located at the front of the bus.

Children are expected to:

- Remain seated at all times while the bus is moving
- Keep arms and legs inside the windows
- Not throw things around
- Keep noise and distractions to a minimum
- Not cause damage to the bus or others

It is very difficult for a bus driver to drive safely and discipline uncooperative students at the same time. Since no child has the right to endanger the lives of others, the following consequences will be followed:

1. General problems as indicated by the bus driver:
 - 1st complaint—letter sent home for signature by parent
 - 2nd complaint—the child will lose the privilege of riding the bus for one week
2. A serious problem would result in an immediate bus suspension.

Should a child vandalize a bus, a bill for damages will be sent home from the bus company through the school.

Elijah Smith Elementary School Song

Together today for our children tomorrow,
Together today for our children tomorrow,
His words inspire us to work together for good.
His spirit will teach us to walk with each other,
His spirit will teach us to share with each other,
His spirit will teach us respect for all of the land.
Together today ... students and teacher,
Together today ... all people and cultures.
Together today ... to honour his memory.
Together today for Elijah Smith School.
