"Together Today for our Children Tomorrow"
Elijah Smith

Tuesday October 12, 2021

Good Afternoon Everyone,

Just a quick follow up to the message that everyone received from YCDC on Sunday to let everyone know what we are doing as a school for the rest of the week to bolster our School Safety Plan.

- 1) We invite everyone in the building to wear masks everywhere including the classroom.
- 2) We have suspended intramurals for the week and will revisit on Friday for next week.
- 3) Any pull out groups that combine students have been suspended for the week.
- 4) The food program through YFNED is still happening but will be operated differently. Teachers will go down to get food for students who need it.
- 5) A reminder to keep your student home if they show any symptoms of COVID-19.

If you have any further questions or concern's feel free to contact me at the school.
(jeff.cressman@yukon.ca or 667-5992)

Take care,

Jeff Cressman

Principal
