

Starting Thursday November 26, 2020

Until the new School Plan for COVID-19 is approved we are recommending the following for Elijah Smith Elementary School.

1. All students in Grade 4 and up wear a mask in all common areas. This includes hallways, Library, Multi – Purpose Room and the Music Room.
2. All Adults coming into the building are recommended to wear a mask.
3. Teaching staff will be recommended to wear a mask in all common areas and in the classroom if they cannot keep a two-meter distance.

When our new plan gets approved these could become new rules for the school.

If you have any questions or concerns, please contact me at the school.

Thank you,

Jeff Cressman
