

Instructions:

Dännch'ea dunèna and families! This is an activity that will have you being bird explorers. Attached is a Bird Bingo type sheet that has a list of 8 birds that we have in the Yukon. Please venture outside and see if you can spot any of them during a walk, drive or even out your window 😊 When you do see one ask your parent/guardian/sibling to take a picture. I am not asking you to find all of them, but if you can try to get a picture of 3-5 of the birds that will be wonderful!

Feedback:

When you have taken the pictures please upload them to your FreshGrade page and I can have a conversation with you about them. I will also be able to see all of the great adventures you have gone on.

HAVE A GREAT WEEK! I miss you all very much!
Nànûch'i shj!
