## A LITTLE ABOUT ME...

You may have heard that I got married this summer. I've started the (long) process to change my name. The kids are calling me Mrs. Teramura or Mrs. T, but you'll see my email address has not caught up!

### COMMUNICATION

The easiest way to get ahold of me is through email – kristi.jones@yesnet.yk.ca. I'll check my inbox during breaks, but if it's an urgent matter or a message about pick up please call Holly and Morgan at the office, 667-5992. Don't hesitate to contact me with any questions or concerns or with updates or information you think would be helpful for your child's success.

### HOMEWORK

Weekly homework in Grade 3 is meant to review literacy skills. The best way to do this is to **read with/to your child for 20 minutes a day**. Your support is essential and much appreciated! It really doesn't matter what your child is reading, they can read books from home or the public library or we've got lots to choose from at school. I encourage kids to take ownership over this themselves so if you'd like them to bring books home for reading, please remind them!

## REPORTING

We are embarking on new reporting processes this year to help make your child's learning more visible to themselves and to you. We'll keep you updated as we roll it out!

## OTHER INFO

Thank you to those of you that have dropped of school supply money. We're collecting \$45 from each family to cover the cost of the year's supplies.

Thursday's are outside afternoons. We'll do our best to take learning outside every Thursday so please help your child to be ready for the weather.

This year's Open House and Feast is coming up on Thursday, August 30<sup>th</sup> at 5:00. I look forward to meeting you all!
